Direct Debit Service Agreement

This document provides information to you regarding the direct debiting of your account. By signing the Direct Debit Request (DDR) you acknowledge you have read and agree to these terms.

1. The DDR will be used to debit amounts due by you under your finance agreement with us including interest, credit fees and charges and costs as referred to in your finance agreement with us.
2. If a payment falls due on a non-business day, or on a day which is the 29th, 30th or 31st of a month with no such date, the payment will be debited on or before the next business day. However, if that means that the payment is due in the next calendar month, your payment will be debited on the last business day of the current calendar month. If you are uncertain when a debit will be processed to your account, please check with the financial institution where your nominated account is held.
3. We will give you at least 14 days' notice if we propose to vary any of the terms of those debit arrangements.
4. All information relating to you and your nominated account will be kept confidential subject to any consents you have granted. We may require or disclose information for the purpose of resolving any disputed payment or claim.
5. You may not terminate the DDR without our consent.
6. You may request a stop to any individual debit by giving written notice to us at least five business days prior to the payment due date. You may also contact your financial institution.
7. You may request deferment or alteration to payments under the DDR by contacting us at least five business days prior to the payment due date. You may also contact your financial institution.
8. If you consider that a debit has been incorrectly made, you should contact us or your financial institution. We will determine whether the debit was correct, and if not, arrange for an adjustment. Claims may also be directed to your financial institution.
9. You must ensure there are sufficient clear funds available in the nominated account to meet each debit on its due date. You must advise us if the account nominated by you to receive the DDR is transferred or closed.
10. You must arrange a suitable alternate payment method with us if you wish to cancel the DDR and we agree to its cancellation.
11. You must not close or alter the account being debited without our prior written consent and unless approved alternate payment arrangements have been made.
12. If a payment is dishonoured, you may be charged fees by your financial institution, you may incur fees under your contract with us, and you may be in default under that contract.
13. You must ensure that your nominated account can accept direct debits as direct debiting through BECS may not be available on all accounts. If you are uncertain about this, please check with the financial institution where your nominated account is held.
14. Check your nominated account details against a recent statement before completing the DDR.
15. You agree that we may assign this authority to anybody who takes over the ownership or running of your account.
16. If any direct debit used for repayment is dishonoured, the repayment will be treated as not having been made, and interest will continue to accrue on the unpaid daily balance until actual payment is received by us. If an attempted direct debit fails, we may make reasonable further attempts to direct debit your account until the direct debit is successful.
17. You acknowledge that we may debit your nominated account using the DDR with enforcement expenses and any other costs in connection with or arising from any breach of your finance agreement or if an event of default occurs, in accordance with the terms and conditions of your finance agreement.
